

Funded by
the Justice Programme
of the European Union

FOMENTO

FOMENTO is a 2-year project co-funded by the European Commission in the framework of the Justice Programme

OUR GOAL Fostering a widespread use of mediation as a cost-effective solution to prevent and solve cross-border disputes in civil and succession matters

Research

Analyzing the implementation effects of the Mediation Directive and of the Succession Regulation in 6 EU countries to highlight challenges and opportunities of cross-border mediation in civil and succession matters.

[GET THE RESEARCH RESULTS FROM OUR WEBSITE](#)

Network

Building a network of legal professionals, mediators, researchers and stakeholders to foster cooperation and good practices exchange in the mediation field of hereditary conflicts.

[JOIN US!](#)

Training

Training professional mediators to enhance the quality standards of mediation practice in cross-border civil matters.
